PREFACE.

A CATALOGUE of the Washington Collection in the Boston Athenæum, made by Mr. A. P. C. Griffin, with an Appendix by Mr. W. C. Lane, appeared in the summer of 1897. In 1899 the trustees authorized the preparation of an Index by Mr. F. O. Poole, who has added a somewhat detailed table of contents and a list of corrections.

Every book mentioned in the Catalogue is entered in the Index under the name of the author when the name is known; if the author's name does not appear upon the title-page there is also a title entry. Anonymous works appear under the first word of the title. Magazine articles, when separately catalogued, are treated fully in the Index; and all subjects of bibliographical or general interest, names of persons whose connection with Washington or his books seems important, volumes which bear Washington's bookplate, his autograph, or dedications to him, and all facsimiles which appear in the Catalogue, have been noticed.

CHARLES KNOWLES BOLTON,
Librarian.
